

The British School New Delhi improves visibility with SAP® Business One

Before: Challenges and Opportunities

- The 56-year old, The British School is an international, not-for-profit school located in the heart of the diplomatic area of New Delhi
- The company's existing software was having limited ability to track Students fees, Admission Fees, Staff salary processing, Expenses, Inventory and other Admin related expenses and Charges.
- Time table management and tracking was being mis-handled.
- The School administration lacked abilities for management and Overall Controllability.

Why SAP and Cogniscent Business Solutions

- SAP Business One provided an integrated system to track in depth accounting and financial transactions, reporting and controllability.
- As an integrated platform it assisted in connecting all departments in one system.
- Cogniscent Business Solutions identified customer needs and developed solutions to bring visibility to management. It helped in taking timely decisions for to keep ahead of the competitions and giving the foremost priorities to the students well being and growth.

After: Value-Driven Results

- Ability to predict the financial flow and improve student engagement.
- High performance and better employee happiness.
- Connect multiple departments with time management for Students, Teachers and other Staff members.
- Better time table management resulting in daily productivity.
- Increased management visibility is helping with better decision making.

“SAP Business One helped us **keep ahead of competition** and keep a check of our performance and visibility. Proper management of Financials help us in managing the entire operations in sync with Students benefits.”

Mr. Sunny Thakral, Head of Technology, The British School.
